

### Waterworks Financial Overview – 2021

As per the Cities Act Section 22.6 (3) the City of North Battleford is required to report on the coverage ratio of City water expenses (including debt repayment) against the City's water revenues for the year 2021.

The following is information extracted from the audited 2021 financial statements:

A – Total Waterworks Revenue	\$7,741,977
B – Total Waterworks Expenses	\$4,699,580
C – Total Waterworks Principal Repayment	\$ 210,582
Coverage Ratio A / (B + C)	1.58

Note that the following information required pursuant to section 54 of the *Municipalities Regulations* is available for inspection at the municipal office during regular office hours:

- Waterworks rate policy and capital investment strategy.
- 2021 waterworks financial overview as per the above.
- Current reserves.
- Most recent waterworks independent engineering assessment.
- Capital plans for waterworks infrastructure projects and sources of funding

Revised October 31, 2022
