

2023 CITY OF NORTH BATTLEFORD WATERMAIN FLUSHING PROGRAM

2023 FLUSH AREA

2023 Water Main Flushing Program

Start Date: May 08, 2023

End Date: Undetermined (approx. 10-14 days)

- Flushing occurs overnight between 19:00 (7pm) and 7:00 (7am).
- Due to unavoidable circumstances, flushing may have to be extended past 7am until the main has been cleared.
- If the "WATER MAIN FLUSHING" signs are present on your block, you may use water normally from 7:00 (7am) to 19:00 (7pm) and follow the TIPS below before 19:00 (7pm).

The following tips are provided to protect your home from the discoloured water and sediment produced by the flushing process. If these are followed there should be no problems.

Tips:

- **Before 19:00 (7pm)**
 - It is recommended to fill your tub and/or pails for water to use to flush the toilet
 - Have water set aside for drinking if needed
 - Turn off any automatic water fed appliance that require water to operate, ie. ice maker, water softener, fridge/freezer, irrigation system, ect.
- **After 19:00 (7pm)**
 - Do not use or run water from your taps
- **After 7:00 (7am)**
 - You may restart your automatic water fed appliances mentioned above.
 - To clear any discoloured water that may have accumulated in the lateral service line, flush from an outside tap for ten minutes or until water runs clear

Please note the City will not be responsible for any problems created by NOT following these Tips. Businesses located in the flushing area that operate between 7:00 pm and 7:00 am are encouraged to contact the City for further information. Thank you for your cooperation. Call 306-445-1700 for further information. Watch for the "WATER MAIN FLUSHING" signs.
