

# Addendum #1 Design-Build Services for the Battlefords Regional Twin Pad Arena & Events Centre

RFQ # CNB-PR-2026-06-17

CITY OF NORTH BATTLEFORD

## ADDENDUM #1

<b>RFQ Title</b>	Design-Build Services for the Battlefords Regional Twin Pad Arena & Events Centre
<b>RFQ #</b>	CNB-PR-2026-06-17
<b>Addendum</b>	Addendum #1
<b>Date Issued</b>	June 23, 2026
<b>Owner</b>	The Corporation of the City of North Battleford

This Addendum forms part of RFQ CNB-PR-2026-06-17, Design-Build Services for the Battlefords Regional Twin Pad Arena & Events Centre. Proponents shall review this Addendum in full and acknowledge receipt of Addendum #1 in their Statement of Qualifications submission.

Except as expressly amended by this Addendum, all terms, conditions, requirements, forms, appendices, and instructions in the RFQ remain unchanged and in full force and effect.

### 1.0 Amendment to Submission Deadline

The RFQ Submission Deadline / Closing Time is amended **from July 8, 2026 at 2:00 p.m., Saskatchewan Time to July 22, 2026 at 2:00 p.m., Saskatchewan Time.**

All references in the RFQ to July 8, 2026 as the Submission Deadline, Closing Time, SOQ closing date, or Closing Date and Time are amended accordingly to July 22, 2026 at 2:00 p.m., Saskatchewan Time.

### 2.0 Question and Answer

**Question 1:** We would like to request a two-week extension to the RFQ submission date. We are requesting an extension to the tender closing date-would that be possible?

**Answer 1:** Yes. The City will grant a two-week extension to the RFQ Submission Deadline. The revised Submission Deadline / Closing Time is July 22, 2026 at 2:00 p.m., Saskatchewan Time. Proponents remain responsible for ensuring that complete Statements of Qualifications, including all required forms, schedules, attachments, acknowledgements, and supporting information, are submitted through the City-designated online bid platform before the revised deadline.

**Question 2:** Is acoustic consulting services required for this RFP?

**Answer 2:** The consultant team composition identified in the RFQ document is not intended to be an exhaustive list of all specialty disciplines that may be required to successfully deliver the project. Proponents are encouraged to include any additional specialist consultants they believe will strengthen their submission and support the project's requirements.

The inclusion of an acoustic consultant would be considered beneficial and could strengthen the overall team, particularly given the nature of the proposed Event Centre component of the project. The subsequent RFP stage is expected to include specific acoustic performance requirements and design criteria, particularly related to the event facility and multi-purpose spaces.
