The City of North Battleford would like to acknowledge that we reside on Treaty 6 Territory and the Homeland of the Métis. We pay our respect to the First Nations and Métis ancestors of this place and reaffirm our relationship with one another.

The 2024 Annual Report is produced by the Finance Department in collaboration with all departments, offices, and agencies of the City of North Battleford, Saskatchewan, Canada. The purpose of this report is to present to City Council, residents, and stakeholders a summary of the financial and operational activities for the year ended December 31, 2024. This document is available on our website for download and review at [www.cityofnb.ca](http://www.cityofnb.ca).

**Kelli Hawtin****MAYOR OF NORTH BATTLEFORD**

## MESSAGE FROM THE MAYOR

On behalf of City Council, I would like to begin by extending our sincere thanks to outgoing Mayor David Gillan. His leadership and service to our community have helped shape a strong foundation for the future. I also want to recognize and thank long-serving Councillor Len Taylor for his many years of commitment and advocacy on behalf of our residents, and finally, it is my honour to welcome our new Council, a team committed to building a strong and growing community.

The city has seen significant infrastructure upgrades over the last few years, including the construction of a new sewer trunk main, and many deep utility and road way improvements through the UPAR program. We've just begun planning for required major investments in recreation, as the Access Communications Centre is nearing the end of its asset life. Planning alongside regional partners for its renewal will be a significant focus as we move forward. These capital investments will continue to ensure North Battleford is well-positioned for growth, that our region continues to thrive, and that our Council is ready to promote and encourage this activity.

In 2024, North Battleford, together with regional partners, was proudly represented at the International Council of Shopping Centers convention. With thousands of delegates in attendance, our goal was to promote our community to attract new commercial and retail developments to our city and region.

Public safety continues to be a top priority. In 2024, a new Community Safety and Wellbeing Plan was adopted, which underscores the importance of collaboration across all levels of government and with community-based organizations. This plan reinforces the need for a coordinated effort to improve safety and wellbeing outcomes for all residents.

**Together, we will continue working toward a future that is safe, inclusive, healthy, and full of opportunity.**

Council continues to place strong emphasis on relationship-building with our regional partners including neighboring Chiefs, Mayors, and Reeves. Together, we will continue working toward a future that is safe, inclusive, healthy, and full of opportunity. As we look ahead, I am confident that our city is ready to meet the challenges and opportunities of tomorrow. With a united Council and strong partnerships, the future of North Battleford is bright.

A handwritten signature in blue ink, which appears to read "Kelli Hawtin". The signature is fluid and cursive.

## NORTH BATTLEFORD CITY COUNCILLORS

**Rodney Fedler**

**Bill Ironstand**

**Greg Lightfoot**

**Kent Lindgren**

**Ross MacAngus**

**Dennis Mercer**

This year, the City Council focused on enhancing community wellness, fostering economic growth, investing in community infrastructure and growth, and promoting inclusion in the Battlefords. A new City Council was elected following the municipal election on November 13, 2024.

”

**Randy Patrick**  
CITY MANAGER

## MESSAGE FROM THE CITY MANAGER

This has been a progressive year for North Battleford. While this annual report shows the City's finances and some of our larger projects for 2024, I want to commend Administration, for working to make our community stronger, safer, and more welcoming.

It was a year of change with the election of a new Mayor and Council, and I would like to thank outgoing Mayor David Gillan and Council for their support over this past term. I welcome the opportunity to work with newly elected Mayor Hawtin and Council as we embark on the next four years to continue developing positive impacts in North Battleford.

With rising inflation rates and the threat of potential tariffs from the United States, our Finance Department has been strategic about purchasing. Administration has been challenged to source necessary products in creative ways – for example, using joint purchasing agreements for equipment with other cities. These thoughtful approaches will continue to provide a benefit to our community in the coming years.

North Battleford spearheaded a national conference in February with Indigenous leadership and 11 different cities to advocate for changes in the release of annual crime statistics. As a result, the federal government acknowledged that ranking communities versus one another based on a single statistic about crime is unfair and has ceased this practice. This change may seem inconsequential to some, but when statistics were released in July, North Battleford was no longer mischaracterized as being the most unsafe. This change, over time, will help North Battleford grow and prosper as the negative stigma that has challenged the community fades.

**The City's focus on economic development is paying off as there has been a significant increase in both inquiries and land sales.**

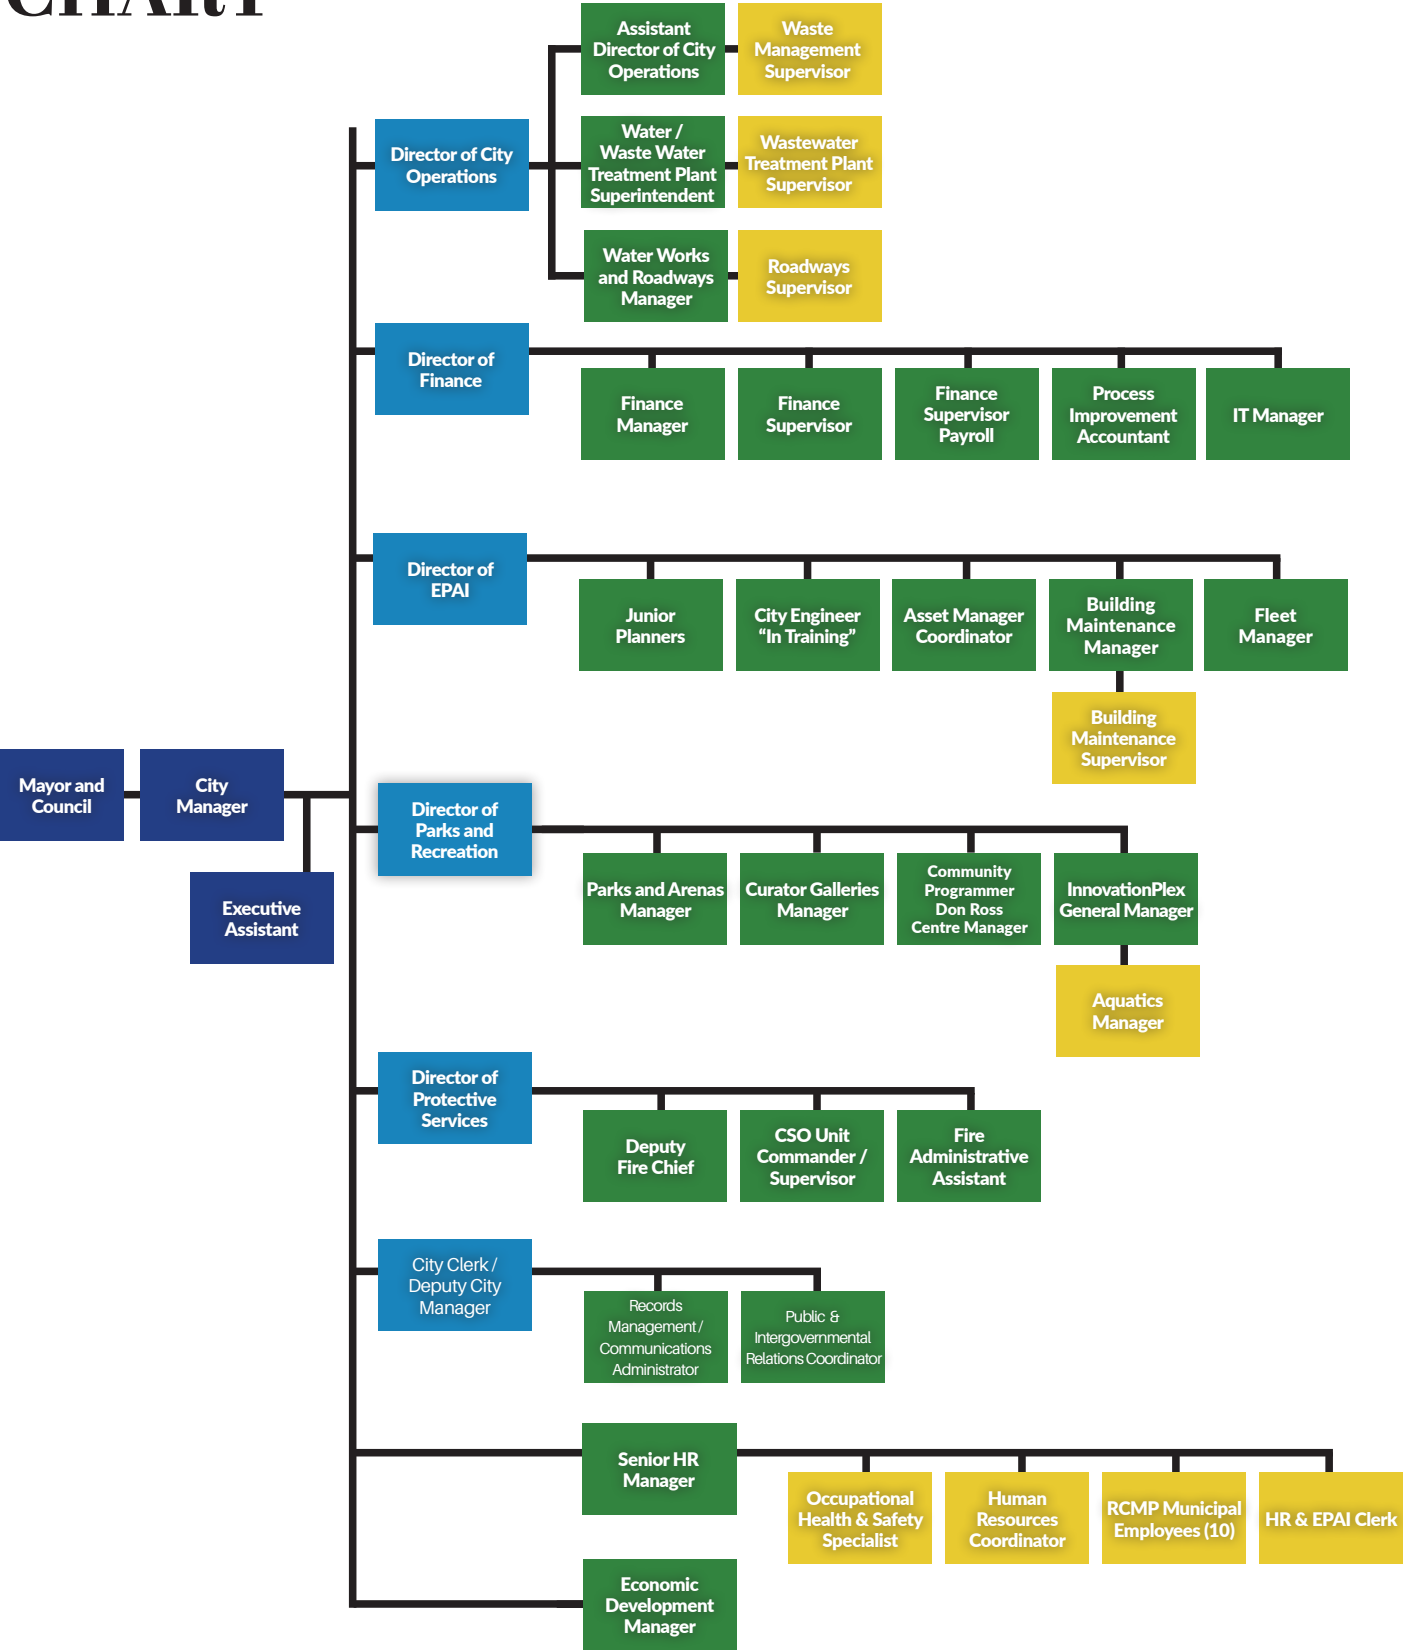

The City's focus on economic development is paying off as there has been a significant increase in both inquiries and land sales. Our Economic Development and Planning Departments are shifting more toward a citizen-focused approach, holding public consultations to obtain feedback prior to recommending any changes to City Council.

None of these initiatives and achievements would have happened without our dedicated staff members or without the support of the City Council. I extend my gratitude to you all as we keep working side by side to build an even better community.

A handwritten signature in blue ink that reads "Randy Patrick".

# ORGANIZATIONAL CHART

## 2024 COUNCIL INITIATIVES

This year, the City Council focused on enhancing community wellness, fostering economic growth, investing in community infrastructure and growth, and promoting inclusion in the Battlefords. A new City Council was elected following the municipal election on November 13, 2024.

### COMMUNITY IMPROVEMENT & ENGAGEMENT

- Administration hosted multiple public consultations on several topics, including rental properties, economic development, business development, recreational facilities, and industrial park property improvements.
- With the Lieutenant Governor in attendance, the City of North Battleford was honoured to host the unveiling of the Annie Peyachew statue in honour of the National Day for Truth & Reconciliation. Artist Lionel Peyachew was commissioned by the Battlefords Industrial School Commemorative Association (BISCA) to create a statue honouring the survivors and descendants of those who attended the Battlefords Industrial School, with funding from the federal government.
- A formal fundraising group was established in support of the proposed Regional Arena & Events Centre.
- In honour of Elder Jenny Spyglass, a Senator with the Federation of Sovereign Indigenous Nations, the new Senator Jenny Spyglass Outdoor Arena was unveiled in North Battleford in late 2024, with a significant funding contribution from BATC's Community Development Corporation.
- City Council officially opened the new, fully accessible City Council Chambers in the Don Ross Centre, with enhanced audio & visual capabilities to provide better access to viewers at home to improve citizen engagement and transparency.

## COMMITMENT TO COMMUNITY RECONCILIATION

- An Urban Reserve Services Agreement was signed with Sweetgrass First Nation to formalize new urban reserve land in North Battleford in support of Indigenous Economic Development.
- Red Pheasant Cree Nation and the City of North Battleford collaborated on the Eagles Landing Development on urban reserve land off Territorial Drive to expand on Red Pheasant's sizeable investment in community development. This included the official groundbreaking and opening of the community's first Starbucks franchise, along with a strip mall which has attracted significant interest from other potential tenants.
- The City of North Battleford, in consultation with a local group of Elders, unveiled the tipi project which will be developed on King Hill at Tawâw Point.

### ORDER OF MERIT AND YOUTH AWARD OF EXCELLENCE

City Council announced the new Order of Merit and Youth Award of Excellence honours in 2024. The inaugural recipient, Herb Sutton, was bestowed the Order of Merit following a lengthy career as an educator, community volunteer, and advocate for community safety and wellbeing. Mr. Sutton continues to be an active contributor to the North Battleford community and works closely with the Battlefords Regional Community Coalition to enhance the wellbeing for youth in the region. The City of North Battleford congratulates Mr. Sutton on his award and thanks him for his dedication to the community.

### COLLABORATION & PARTNERSHIPS

The City of North Battleford hosted a national conference in 2024 to advocate for the removal of ranking communities by Crime Severity Index numbers. This collaborative approach included the Federation of Sovereign Indigenous Nations, Sweetgrass First Nation, local municipalities, law enforcement, and communities across western Canada, all of whom spoke to the significant damages created by this annual data release. In response, the federal government will no longer be publishing community rankings, beginning a new chapter for communities like North Battleford which have been mischaracterized as "unsafe" when the data is released each year.

City Council continued to advocate for a new college facility in partnership with North West College.

## LEGISLATIVE SERVICES

- Legislatively reviewed and supported the establishment of 19 Bylaws
- Completed the implementation of 6 policies or policy amendments
- Fulfilled 16 information access requests

### INVOLVEMENT OF COMMUNITY AGENCIES

City Council approved approximately \$1.58 million in funding requests to several organizations to provide social and community supports services for citizens. This funding request included the Community Development Financial Assistance Program, which targets \$60,000 in third-party grants to community organizations in North Battleford. Funding for this program is awarded annually once approved by Council. Organizations may apply through a formal application to the City.

### SAFE COMMUNITY

Two new Bylaws passed by City Council entered effect on January 1, 2024, to promote community safety and to encourage responsible property ownership.

## COMMUNITY BBQ'S

In the Spring, the City held free community BBQs. These BBQs promote to meet your neighborhood to increase safety in the community, and to build a greater sense of community in North Battleford. Food and games were provided to residents.

## TOYS FOR TICKETS

In 2024, once again the City continued with this campaign. Any resident receiving a parking ticket for a designated period of time in December was able to either pay the ticket or to donate a new toy valued at the same amount as the ticket. The toys were donated to the Battlefords District Food and Resource Centre as a result of the Toys for Tickets campaign.

**BIG THANKS TO ALL OF  
OUR 2024 SNOW ANGELS**

## COMMUNITY RENEWAL

### UNDERGROUND PIPELINE AND ASPHALT REPLACEMENT (UPAR)

The 2024 Underground Pipeline and Asphalt Replacement Program (UPAR) consisted of:

- Storm sewer installation,
- Road and sidewalk replacement on 17<sup>th</sup> Avenue, 18<sup>th</sup> Avenue & Bowers Drive between 19<sup>th</sup> Avenue and 91<sup>st</sup> Street.
- Water line replacement, sanitary sewer replacement, road and sidewalk replacement on 15<sup>th</sup> Avenue between 97<sup>th</sup> Street and 100<sup>th</sup> Street.
- Road and sidewalk replacement on 101<sup>st</sup> Street between 20<sup>th</sup> Avenue and Borden Crescent.
- Storm sewer installation, and road and sidewalk replacement on 19<sup>th</sup> Avenue between 103<sup>rd</sup> Street and 104<sup>th</sup> Street.

In total, 80 meters of potable water main, 85 meters of sanitary sewer main, 600 meters of storm sewer main, 20,470 square meters of road, and 1,165 meters of sidewalks were renewed. The total amount of investment by the City of North Battleford for UPAR in 2024 was approximately \$2.8 million.

Other projects completed in 2024, included:

- Territorial Drive Overlay
- Patching work done on Thatcher
- Pulverizing of Marquis, Holstein, and Aberdeen into a gravel road.

## CONTINUOUS MAINTENANCE

In 2024, the City's roadways patching crew managed to fill a remarkable total of 10,600 potholes using approximately 450 tonnes of paving material.

## DID YOU KNOW?

That is enough asphalt to pave the entire length of the City's 7-kilometer long walking path between the InnovationPlex and 91<sup>st</sup> Street.

This accomplishment not only highlights the dedication and hard work of the roadways crew, but it shows Council's desire to invest in significant improvements in the City's infrastructure.

## SIGNIFICANT INVESTMENTS MADE BY THE CITY

The 2024-year capital investment was over \$10 million dollars. The following were some of the larger projects for the year:

- Replacement of the Aquatic Centre rooftop air handling unit
- Replacement of a section of the Aquatic Centre roof
- Purchase of a landfill compactor
- The ice plant at the Don Ross Arena was replaced
- Council Chambers was renovated and moved to the Don Ross Centre
- Replacement of traffic lights poles at Territorial Drive and 100<sup>th</sup> Street
- Works on Well #30 were started and are expected to be completed in 2025
- Crosswalk lights were installed on 100<sup>th</sup> Street and 17<sup>th</sup> Ave

# COMMUNITY WELLBEING

## DID YOU KNOW?

A major fire requires between 5 to over 14 trained personnel.

## FIRE SAFETY IN THE CITY

The City of North Battleford continues to be well-served by a dedicated and professional composite fire department. Throughout 2024, the North Battleford Fire Department demonstrated exceptional leadership, resilience, and compassion while responding to the evolving needs of our community.

In 2024, the Fire Department responded to 641 calls for service, reflecting a notable 13% reduction from 2023. This decrease is attributed in part to expanded fire prevention programming, increased community engagement, and collaborative enforcement strategies targeting unsafe and fire-risk properties.

The North Battleford Fire Department is committed to professional development and provincial service, which was evident in 2024 through its role as host of two significant fire service events:

- The Saskatchewan Volunteer Firefighters Association's Spring Training School, with more than 300 firefighters from across the province participating in hands-on courses ranging from live fire suppression and aerial operations to rope rescue and heavy vehicle extrication. NBFDF personnel served as instructors and facilitators, proudly showcasing the Department's local expertise.
- The 74<sup>th</sup> Annual Saskatchewan Association of Fire Chiefs Conference at the InnovationPlex was held in late May/early June, with delegates from across Western Canada in attendance to discuss key issues under the theme "Coping with Social, Economic, and Legislative Change." The successful event strengthened North Battleford's reputation as a leader in emergency service collaboration and innovation, with positive feedback from all attendees with respect to the conference programming and the City's host venues.

The Fire Department remains committed to fire prevention and public education. In 2024, the Department expanded its free smoke detector installation and Home Safety Inspection Program, focusing on at-risk households. The Department also participated in numerous school visits, safety demonstrations, and public engagement events. Finally, the Fire Department made proactive use of its specially equipped 'ReHAB Bus' throughout 2024. This mobile unit has been designated to serve as a vital warming center during periods of extreme winter weather as part of the City's cold weather strategy. When deployed to a structure fire, the ReHAB Bus provides a safe, heated space for firefighter recovery and shelter for persons displaced by fire at a scene.

## 2024 FIRE STATS

Assisted to 4  
major fires in

Responded to 13  
structure fires

Responded to  
58 motor vehicle  
collisions

## UTILITY SERVICES

The Water and Wastewater Treatment Plants run continuously throughout the year and are closely monitored by staff and a remote monitoring system. In 2024:

- 1,907,010 cubic meters of raw sewage was treated
- Lystek produced 4,558 cubic meters of bio-solids
- Lystek applied 4,601 cubic meters into fertilizer
- 1,671,760 cubic meters of water was treated

Waste Management stats:

- 5,722 metric tonnes of construction waste was diverted through recycling
- 10,221 metric tonnes of waste was received at the Waste Management Facility
- 543 metric tonnes of household waste was diverted from the City's Waste Management Facility through recycling, adding to the facility's lifespan

## GANG TASK FORCE

In 2024, the Battlefords RCMP Gang Task Force continued to target violent and prolific offenders, individuals involved in the drug trade, persons in possession of illegal firearms, and those known to participate in gang activity. In August 2024, the Battlefords RCMP Gang Task Force transitioned from being a unit within the municipal RCMP Detachment purview to the RCMP's Saskatchewan Enforcement Response Team, becoming the Crime Reduction Team – Gang Task Force. The Gang Task Force continues to operate out of North Battleford and members have completed several proactive investigations, disrupting and dismantling criminal activity in North Battleford. The Gang Task Force seized 24 firearms and more than 20 miscellaneous weapons, significantly reducing risk to the public.

The Battlefords RCMP Gang Task Force executed 14 search warrants in 2024, seizing more than 1,320 grams of cocaine, over 2,700 grams of methamphetamine and other illicit drugs, cutting agents, 90,000 illegal cigarettes, and over \$38,000 in cash (also known as 'proceeds of crime'). In addition to proactive investigations, the Gang Task Force also assisted the Saskatchewan RCMP's Major Crimes Unit and General Duty officers with multiple investigations.

With these outcomes and proactive initiatives, the Battlefords RCMP Gang Task Force Unit has made a public statement about the enforcement surrounding drug trafficking, gang activity, and violent offenses in the area, which serves to provide a safer community for the residents of North Battleford.

## COMMUNITY SAFETY OFFICERS

“Thank you City of North Battleford for making this effort to protect people and property in our city. We can all do our part to comply and report and support.”

- ANNETTA JONES

The Community Safety Officer Program in North Battleford plays a crucial role in ensuring the safety and security of our community. In 2024, the Community Safety Officers responded to approximately 18,745 calls for service for files related to property orders, parking and traffic safety tickets, investigations for minor thefts, and foot patrols in the downtown core. The Department is fully certified in defensive tactics through the Saskatchewan Police College, and all CSO members have recently been recertified in the Use of Force.

The Community Safety Officers and Battlefords Citizens on Patrol work together regularly for group patrols to target specific initiatives – impaired driving campaigns, recovery of stolen goods, and more. The Community Safety Officers also work closely with Battlefords RCMP to assist on several policing files, including active scene security, impaired driving blitzes, and investigation of inactive thefts of under \$5000. Members of the City's CSO Department are not only able to carry out enforcement of the City's Bylaws, but as Peace Officers, they are also able to uphold and enforce 13 different Provincial and Federal Statutes and/or Acts.

## COMMUNITY STABILITY

### ECONOMIC DEVELOPMENT

The City's Economic Development Department continues to actively collaborate with developers and investors to drive economic growth. A key project still underway is Red Pheasant's 17-bay commercial site (Eagles Landing), and two pad sites. One features a new Starbucks franchise and work is underway to develop a second commercial site. These new businesses enhance services for residents, attract more economic activity, and help to expand the City's tax base. A larger tax base helps distribute service costs more equitably and boosts the City's long-term sustainability.

In 2024, inquiries regarding commercial properties have surged, surpassing the total from the last three years combined. This has led to a strategic focus on pricing and marketing land attractive to both developers and local entrepreneurs.

City Council made Economic Development a priority for 2024, launching various initiatives to bolster growth in North Battleford's business community. Additionally, the Economic Development Department, in partnership with a local Community-Based Organization, successfully offered free information sessions for young entrepreneurs.

Mayor David Gillan accompanied the Manager of Economic Development to the International Council of Shopping Centres conference in British Columbia in support of attracting businesses to North Battleford.

## ECONOMIC SPIN-OFF FROM LOCAL EVENTS

In 2024, North Battleford hosted some major events that attracted people from across Saskatchewan and neighboring provinces. The Saskatchewan 55+ Provincial Games featured approximately 800 competitors, non-competitors, volunteers and guests. The annual Provincial Snowmobile Rally brought in over 300 participants and spectators. The 8<sup>th</sup> annual Gold Eagle Open Disc Golf Tournament at the Battlefords Provincial Park had more than 300 participants. The Saskatchewan Fire Chiefs Association Annual Conference, hosted by the City and the NBFD, brought in over 325 attendees and countless vendors from western Canada. The Saskatchewan Volunteer Fire Fighters Annual Spring Training and Conference hosted 300 people. In addition, several youth sporting events and hockey tournaments were hosted in City of North Battleford recreational facilities.

**6,956**

Galleries

**82,129**

NationsWEST Field House

### GALLERIES

- Both the Chapel Gallery and The Allen Sapp Gallery provided many events to the community. In 2024, staffing recruitment challenges also brought delays in programming throughout the year.
- Journalists from CBC (French) conducted a research project that included filming, photographing, and interviewing elders, knowledge keepers, and family members at the Allen Sapp Gallery.
- Over 240 people participated in art and cultural programming during Wintertainment week.
- U of S Seniors Council toured both galleries bringing 77 visitors.
- Allen Sapp Gallery hosted school tours to 920 students and delivered 97 programs in 2024.
- The Annual Marigold Market was once again held, featuring 18 artists, and attracting over 300 residents, who visited the Gallery.
- Battlefords Area Pride and NB Library collaborated with artist Aleks Anseth to create a wall mural painted on the exterior of the Chapel Gallery, facing the ball diamonds.

### PARKS AND CEMETERIES

- Splash Parks opened June 1<sup>st</sup> and closed mid-September for the season.
- The Outdoor Rink Project was completed in 2024.
- During winter break, Wintertainment showcased a variety of indoor and outdoor activities.
- Canada Day celebrations on July 1<sup>st</sup> were relocated to the Access Communications Centre due to weather but the turnout was great. Attendees enjoyed a fun-filled day featuring games, inflatables, a BBQ lunch, musical entertainment, crafts, and a bike parade. To close the day, fireworks were launched from King Hill.
- Throughout the summer, staff recruitment posed a challenge. The shortage of staff led to delays in mowing and weed control.
- A rate adjustment was made in 2023 to the Cemetery Bylaw, reflecting full cost recovery and the introduction of a perpetual fund for future development and maintenance.

## ARENAS

- A new ammonia ice plant was installed at the Don Ross Arena.
- The introduction of sports academy has boosted day time ice revenues.
- Some of the dry floor rentals included: ball hockey, rodeo, bike rodeo for elementary schools, circus event, bull riding and more.

## DON ROSS COMMUNITY CENTRE

Rentals remained consistent throughout the year. Gymnasium and sport rentals in particular saw an increase over the year as birthday parties increased compared to 2023. As previous years, the centre offered many activities and courses such as weddings, high school graduations, elections, air cadet parade, conferences, and many more events.

## INNOVATIONPLEX

- In 2024, The NationsWest Fieldhouse reached the highest revenue levels since the facility opened. This increase was mainly due to a rise in league bookings, special events (such as the 55+ Saskatchewan Senior Games, tournaments, and trade shows), as well as a boost in membership sales, particularly punch pass sales to organizations for client use.
- From the users at the Aquatic Centre provided, 55% were North Battleford residents, 25% were from the Town of Battleford and the remaining 20% were from various other communities.
- 115 people took leadership courses in aquatic life-saving skills.

# AWARD FOR FINANCIAL REPORTING

Government Finance Officers Association

## Canadian Award for Financial Reporting

Presented to

**City of North Battleford  
Saskatchewan**

For its Annual  
Financial Report  
for the Year Ended

**December 31, 2023**

*Christopher P. Morill*

Executive Director/CEO

For the 5th consecutive year, the City of North Battleford has been awarded The Canadian Award for Financial Reporting by the Government Finance Officers Association of the United States and Canada (GFOA), for the City's 2023 financial reporting practices.

This honour is awarded annually and is judged by a panel of Canadian Review Committee Members, scoring recipients based on high quality financial reports and standards which measure and value transparency and full disclosure to citizens. The goal is to clearly communicate the City's financial and non-financial information.

## FINANCIAL STATEMENT

# DISCUSSION & ANALYSIS

FOR THE YEAR OF DECEMBER 31, 2024

## DIRECTOR OF FINANCE INTRODUCTION

On behalf of the City's Finance Department, I am pleased to present the 2024 Annual Report which includes the City's overview, achievements, Audited Financial Statements, and accompanying discussion and analysis for the City of North Battleford.

The City's Consolidated Financial Statements have been prepared in accordance with Canadian Public Sector Accounting Standards as recommended by the Chartered Professional Accountants of Canada. The Consolidated Financial Statements have been audited by BDO Canada LLP. The statements include divisions of City business, facilities, operating entities, and other entities which are either owned or controlled by the City of North Battleford.

**In 2024, despite high inflationary costs, Administration focused on maintaining budgeted costs while delivering the same or improved service levels to residents.**

”

In 2024, despite high inflationary costs, Administration focused on maintaining budgeted costs while delivering the same or improved service levels to residents. At the same time, the City invested over \$9 million in capital projects to improve aging infrastructure and reduced long-term debt by approximately \$2.7 million.

Throughout the year, despite limited grant opportunities, Administration and Elected Officials worked diligently to build strong relationships with neighboring communities, ensuring the City's continued growth and adaptability.

I would like to extend my sincere thanks to the City's Finance Department for their hard work and dedication, and to all Departments for their contributions which had made it possible to produce this important document outlining our City's current landscape and financial position.

Respectfully submitted,

**Margarita Pena, CPA**  
**DIRECTOR OF FINANCE**

**August 18, 2025**

## DEPARTMENT COSTS PER RESIDENT

FOR THE YEAR OF DECEMBER 31, 2024

Department Costs Per Resident measures each City department's individual cost per resident living in the City. The year over year change in total cost per resident went from \$3,390.76 in 2023 to \$3,443.57 in 2024, a 1.56% increase. The cost of City wages and benefits for all residents in 2023 was \$1,133.33 compared to \$1,190.71 in 2024, a 5.10% increase.

**TABLE 1.0 - DEPARTMENT COSTS PER RESIDENT**

DEPARTMENT	POPULATION	DEPARTMENT COSTS	PER RESIDENT	WAGES & BENEFITS	PER RESIDENT
General Government Services	13,940	\$ 5,260,131	\$ 377.34	\$ 2,549,337	\$ 182.88
Policing Services	13,940	\$ 6,770,181	\$ 485.67	\$ 577,796	\$ 41.45
Fire and Protection Services	13,940	\$ 3,743,760	\$ 268.56	\$ 2,844,078	\$ 204.02
Operations Services	13,940	\$ 9,156,241	\$ 656.83	\$ 2,228,612	\$ 159.87
Waste Management Services	13,940	\$ 1,772,495	\$ 127.15	\$ 611,545	\$ 43.87
Planning and Development Services	13,940	\$ 2,161,737	\$ 155.07	\$ 1,007,390	\$ 72.27
Parks & Recreation Services	13,940	\$ 9,647,124	\$ 692.05	\$ 3,966,786	\$ 284.56
Water Services	13,940	\$ 5,439,353	\$ 390.20	\$ 1,841,315	\$ 132.09
Sanitary Sewer Services	13,940	\$ 4,052,338	\$ 290.70	\$ 1,203,844	\$ 86.36

**TABLE 2.0 - DEPARTMENT COSTS PER RESIDENT**

# STATEMENT OF OPERATIONS

FOR THE YEAR OF DECEMBER 31, 2024

A summarized Statement of Operations (Statement 2) for the past five years is reflected in Table 3.0 below. Compared to last year both Revenues (4.7%) and Expenses (1.4%) have increased. This year’s total surplus increased by 58.3%. Taking a long-term view, compared to five years ago, revenues and expenses are up 16.3% and 25.90% respectively overall.

TABLE 3.0 - FIVE YEAR STATEMENT OF OPERATIONS

	2024	2023	2022	2021	2020	CHANGE
Total Revenues	\$ 52,641,304	\$ 50,265,476	\$ 48,096,546	\$ 52,032,017	\$ 45,247,841	4.7%
Total Expenses	\$ 48,003,360	\$ 47,335,380	\$ 44,639,014	\$ 41,355,367	\$ 38,117,778	1.4%

## REVENUES

FOR THE YEAR OF DECEMBER 31, 2024

The City has two primary sources of revenue that are separate from other revenue intakes. The first one is taxes and other unconditional revenue, comprising 49% of all revenue. The second largest revenue stream is fees and charges at 29%. Combined, these revenue streams equal 78% of the overall City revenue. Examples of Fees and Charges include entry fees at the Aquatic Center, water and sanitary sewer charges, and landfill entry fees.

**TABLE 4.0 - 2024 SUMMARY OF REVENUES**

## REVENUE COMPARISON

FOR THE YEAR OF DECEMBER 31, 2024

In 2024, revenues generated from fees and charges at some of the City's facilities have reached their highest levels since their opening over a decade ago. This is a significant milestone and a testament to the hard work and dedication of our team, as well as the community's support and engagement. The five-year comparison table shows the growing values year-by-year. The City's overall revenues in 2024 are \$52,641,304 compared to \$50,265,476 in 2023.

## EXPENSES

### FOR THE YEAR OF DECEMBER 31, 2024

In 2024 the total operating expenses were \$48,003,360 which included:

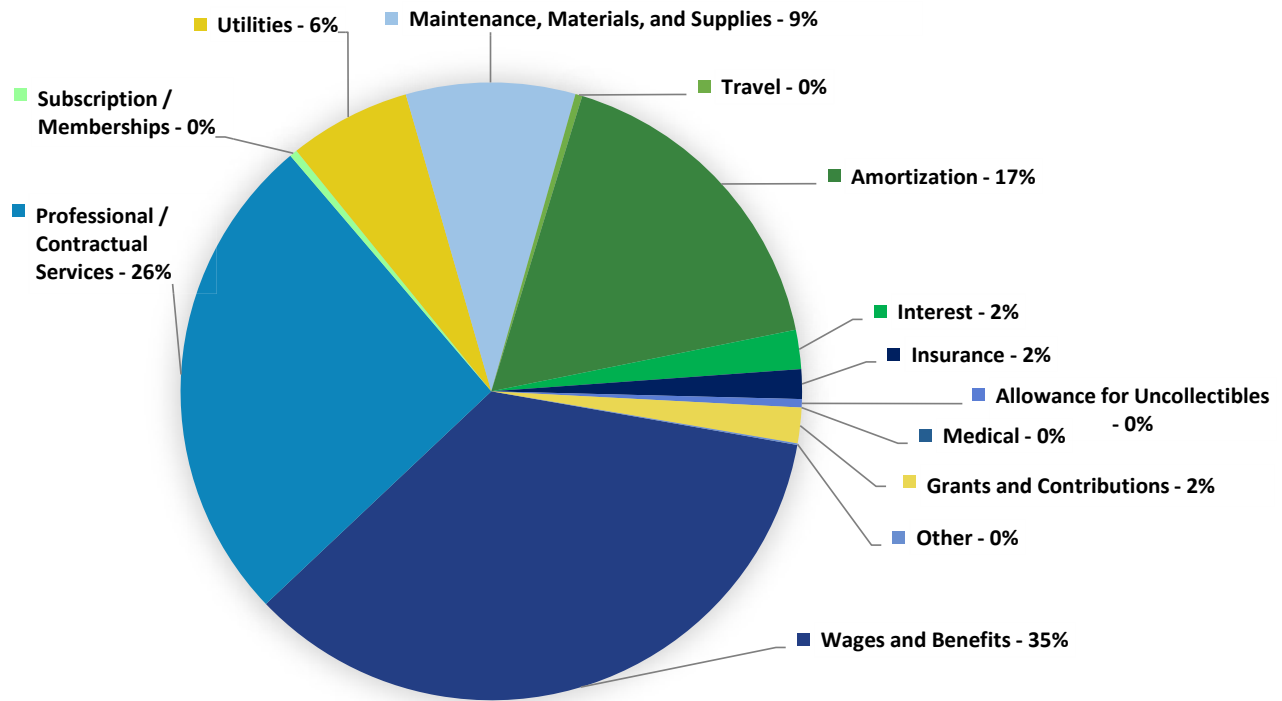

- Wages and Benefits at \$16,830,704 compared to \$15,807,040 in 2023, an increase of \$1,023,664
- Contractual Services at \$12,402,157 compared to \$12,494,353 in 2023, an increase of \$92,196
- Subscriptions and Memberships at \$192,585 compared to \$203,536 in 2023, a decrease of \$10,950
- Utilities at \$3,042,956 compared to \$3,081,206 in 2023, a decrease of \$38,250
- Maintenance, Materials & Supplies at \$4,217,746 compared to \$4,191,200 in 2023, a decrease of \$26,546
- Travel at \$172,654 compared to \$184,368 in 2023, a decrease of \$11,714
- Amortization at \$8,179,277 compared to \$7,819,761 in 2023, an increase of \$359,516
- Interest at \$980,867 compared to \$1,275,045 in 2023, a decrease of \$294,178
- Insurance at \$741,723 compared to 706,498 in 2023, an increase of \$35,225
- Grants and contributions at \$891,585 compared to \$878,082 in 2023, an increase of \$13,503
- Other expenses at \$37,555 compared to \$34,927 in 2023, an increase of \$2,630

## EXPENSE OBSERVATIONS

Departmental expense comparisons for 2024:

- General Government expenses were \$5,260,131 compared to \$5,518,829 in 2023
- Policing Services expenses were \$6,770,181 compared to \$6,588,560 in 2023
- Fire & Protective Services expenses were \$3,743,760 compared to \$3,649,660 in 2023
- Operations Services expenses were \$9,156,241 compared to \$9,061,085 in 2023
- Waste Management (Landfill) expenses were \$1,772,495 compared to \$1,867,696 in 2023
- Planning & Development Services expenses were \$2,161,737 compared to \$1,833,919 in 2023
- Parks & Recreation expenses were \$9,647,124 compared to \$9,590,321 in 2023
- Water services expenses were \$5,439,353 compared to \$5,081,824 in 2023
- Sanitary Sewer expenses were \$4,052,338 compared to \$4,143,485 in 2023

TABLE 13.0 - NET FINANCIAL ASSET POSITION

## CAPITAL ASSETS

FOR THE YEAR OF DECEMBER 31, 2024

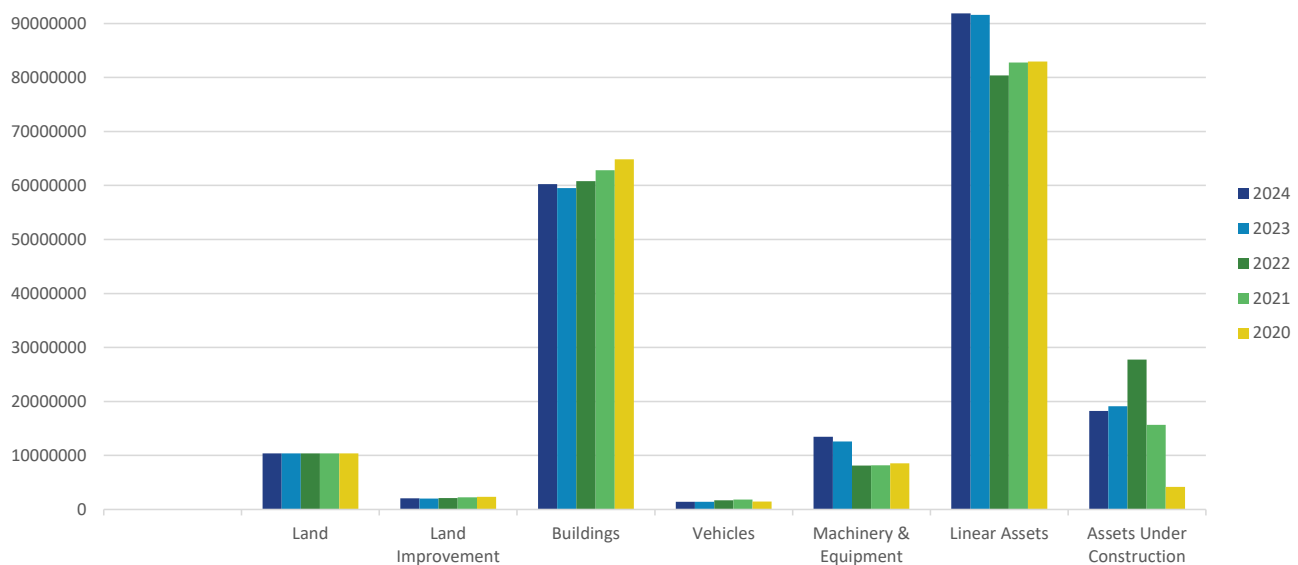

### TANGIBLE CAPITAL ASSETS

Tangible capital assets are recorded at cost, which includes all amounts that are directly attributable to the acquisition, construction, development, or betterment of the asset. The cost less residual value of the tangible capital assets are amortized on a straight-line basis over the asset's estimated useful lives, ranging from five to sixty years. The City's investment in capital assets (or net book value) for its governmental and business-type activities as of December 31, 2024, amounts to \$197,608,969 compared to \$196,615,011 in 2023. This investment in capital assets includes infrastructure, improvements to land, equipment, and buildings. This is primarily attributed to the UPAR construction, upgrades to the Aquatic Centre roof and rooftop air handling unit, the purchase of a landfill compactor, and a replacement of the ice plant at the Don Ross Arena. As seen in table 14.1, the largest category remains linear assets at \$91,879,723 or 46.50% of all assets and consists of all roadways, water, and sanitary infrastructure in the City.

# CITY OF NORTH BATTLEFORD CONSOLIDATED FINANCIAL STATEMENTS

## ANNUAL FINANCIAL STATEMENTS AND SUPPORTING DOCUMENTS

FOR THE YEAR OF DECEMBER 31, 2024

BATTLEFORDS AND AREA PRIDE MURAL BY ALEKSI ANSETH

## MANAGEMENT'S REPORT

To the ratepayers and stakeholders of City of North Battleford;

The municipality's management is responsible for the preparation and presentation of the accompanying consolidated financial statements in accordance with Canadian public sector accounting standards (PSAS). The preparation of the statements necessarily includes selecting appropriate accounting principles and methods, and making decisions affecting the measurement of transactions in which objective judgments and estimates by management is required.

In discharging its responsibilities for the integrity and fair presentation of the consolidated financial statements, management designs and maintains the necessary accounting, budget, and other related internal controls to provide reasonable assurance that transactions are appropriately authorized and accurately recorded, that assets are properly accounted for and safeguarded, and that financial records are properly maintained to provide reliable information for the preparation of the consolidated financial statements.

The Council is composed of elected officials who are not employees of the municipality. The Council is responsible for overseeing management in the performance of its financial reporting responsibilities. The Council fulfils these responsibilities by reviewing the financial information prepared by management and discussing relevant matters with external auditors. The Council is also responsible for recommending the appointment of the municipality's external auditors.

BDO Canada LLP, an independent firm of Chartered Professional Accountants, is appointed by the Council to audit the consolidated financial statements and report directly to them; their report follows. The external auditors have full and free access to, and meet periodically and separately with, both the Council and management to discuss their audit findings.

North Battleford, Saskatchewan, Canada

### Independent Auditor's Report

To Her Worship the Mayor and Members of City Council of City of North Battleford

#### Opinion

We have audited the consolidated financial statements of City of North Battleford and its controlled entities (the City), which comprise the consolidated statement of financial position as at December 31, 2024, and the consolidated statement of operations and accumulated surplus, the consolidated statement of change in net debt, the consolidated statement of cash flows and the consolidated statement of remeasurement gains and losses for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the City as at December 31, 2024, and its consolidated results of operations, its consolidated measurement gains and losses, its consolidated change in net debt, and its consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards.

#### Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the City in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Other Matter - Unaudited Information

We have not audited, reviewed or otherwise attempted to verify the accuracy or completeness of Schedules 1 and 2 to the City's consolidated financial statements.

#### Other Information

Management is responsible for the other information. The other information comprises the information, other than the consolidated financial statements and our auditor's report thereon, included in the Annual Report.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

## INDEPENDENT AUDITOR'S REPORT

We obtained the annual report prior to the date of this auditor's report. If, based on the work we have performed on this other information, we conclude that there is a material misstatement of this other information, we are required to report that fact in this auditor's report. We have nothing to report in this regard.

### **Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements**

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the City's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the City or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the City's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the City's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit

## INDEPENDENT AUDITOR'S REPORT

evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the City to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Plan and perform the group audit to obtain sufficient appropriate audit evidence regarding the financial information of the entities or business units within the City as a basis for forming an opinion on the group financial statements. We are responsible for the direction, supervision and review of the audit work performed for purposes of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

# NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

## FOR THE YEAR OF DECEMBER 31, 2024

The City of North Battleford (hereafter referred to as the 'City') is the largest city in Saskatchewan's North West and has been a service center and transportation hub for more than 100 years. North Battleford was incorporated as a village in 1906, a town in 1907 and a city in 1913. The City operates under the provisions of The Cities Act of The Statutes of Saskatchewan, 2002 as amended by the Statutes of Saskatchewan, 2003.

### 1. Summary of Significant Accounting Policies

The consolidated financial statements of the City are prepared by management in accordance with Canadian Public Sector Accounting Standards as recommended by the Chartered Professional Accountants of Canada. Significant aspects of the accounting policies are as follows:

**a) Basis of accounting**

The consolidated financial statements are prepared using the accrual basis of accounting. The accrual basis of accounting recognizes revenues as they become available and measurable; expenses are recognized as they are incurred and measurable as a result of the receipt of goods and services and the creation of a legal obligation to pay.

**b) Reporting entity**

The consolidated financial statements include divisions of City business, facilities and operating entities of the City. The statements consolidate the assets, liabilities, revenues and expenses of the general government operating fund, water utility fund, sanitary sewer utility fund, and reserves of the City. The entity is comprised of all of the organizations that are owned or controlled by the municipality and are, therefore, accountable to the Council for the administration of their financial affairs and resources. Entities included in these consolidated financial statements are as follows:

**Consolidated entities:**

The City of North Battleford  
The Battlefords Transit System  
Dekker Centre for the Performing Arts Inc.  
North Battleford Business Improvement District Corp

**Arenas/Facilities:**

Battlefords Co-Op Aquatic Centre  
Cameron McIntosh Airfield  
Access Communications Centre  
Dekker Centre for Performing Arts Building  
Don Ross Arena  
Nations West Field House  
Northland Power Curling Centre

**Community Centres/Galleries:**

Allen Sapp Gallery  
Chapel Gallery  
Don Ross Complex

All inter-organizational transactions and balances have been eliminated.

**c) Collection of funds for other authorities**

The education property tax (EPT) funds under the governance of the Ministry of Education for the respective school divisions, Light of Christ Roman Catholic Separate School Division (RCSSD) No. 16 and Living Sky School Division No. 202, have been collected and remitted by the City in accordance with relevant legislation. The amounts outstanding at December 31, 2024 are disclosed in Note 3.

**d) Land sales**

Land sales are recognized in the financial statements as revenues in the period in which the contract is signed and the ability to collect is reasonably assured. The value of land for resale is recognized at the lower of cost and net realized value. Cost includes land acquisition and improvements to prepare the land for sale or servicing. Development costs incurred to provide infrastructure are recorded as tangible capital assets under their respective function.

**e) Measurement uncertainty**

The preparation of financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenditures during the period. Some of the more significant estimates are allowances for uncollected taxes and receivable, salary provisions, employee benefit obligations, useful lives of tangible capital assets, liabilities for contaminated sites and asset retirement obligations. Actual results could differ from those estimates.

The measurement of materials and supplies are based on estimates of volume and quality. The 'Opening Asset Costs' of tangible capital assets have been estimated where actual costs were not available. Amortization is based on the estimated useful lives of tangible capital assets.

These estimates and assumptions are reviewed periodically and as adjustments become necessary, they are reported in operations in the periods in which they become known.

**f) Property tax revenue**

Property tax revenue is based on assessments determined in accordance with Saskatchewan legislation and the formulas, principles, and rules in the Saskatchewan Assessment Manual. Tax mill rates are established by Administration and approved annually by Council following the guidance of the Government of Saskatchewan. Tax revenues are recognized when the tax has been authorized by bylaw and the taxable event has occurred. Assessments are subject to appeal.

Annually, the City bills and collects property tax revenues for municipal purposes as well as provincial EPT on behalf of the Minister of Education representing the Province of Saskatchewan for education purposes. The authority to levy and collect property taxes is established under The Cities Act, 2002, Tax Enforcement Act, The Education Act, and other legislation.

# NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR OF DECEMBER 31, 2024

## 1. Summary of Significant Accounting Policies (Continued)

### f) **Property tax revenue** (Continued)

The amount of the total annual property tax levy is determined each year through Council's approval of the annual operating and capital budgets. Municipal tax rates are set annually by Council for each class or type of property, in accordance with legislation and Council-approved bylaws and policies, in order to raise the revenues required to meet operating budget requirements. Education tax rates are established by the Province each year in order to fund the cost of education on a Province-wide basis.

The property assessments, on which property taxes are based, are established by Saskatchewan Assessment Management Agency (SAMA) policies, standards and procedures; audit assessments, and review of City assessment rolls; and property valuation services. SAMA is an agency that was established in 1987 by the Saskatchewan Local Government Finance Commission. The current value assessment of a property represents an estimated market value of a property as of a fixed date. Assessed values for all properties within the municipality are provided to the City in the returned assessment roll once every four years per the Province.

The amount of property tax levied on an individual property is the product of the taxable assessed value (assessed by SAMA) and the tax rate for the class (approved by Council), together with any adjustments that reflect Council approved mitigation or other tax policy measures, and/or rebate programs.

Property taxes are billed by the City once per year, following Council's approval of the capital and operating budgets for the year, the total property tax levy, and the property tax policy and mill rate bylaws needed to fund the City's operations.

### g) **Government transfer of funds**

Government transfers are transfers of assets from senior levels of government, Federal or Provincial government, that are not the result of an exchange transaction and are not expected to be repaid in the future. Government transfers are recognized as revenue in the fiscal year in which events giving rise to the transfer occurred, providing the transfers are authorized, eligibility criteria have been met and reasonable estimates of the amounts can be made.

Unearned government transfer amounts received will be recorded as deferred revenue until eligibility criteria or stipulations are met. Earned government transfer amounts not received will be recorded as an account receivable. Government transfers to individuals and other entities are recognized as an expense when the transfers are authorized and all eligibility criteria have been met.

### h) **Deferred revenue**

Fees and charges: Certain user charges and fees are collected for which the related services have yet to be performed. Revenue is recognized in the period when the related expenses are incurred or services performed.

### i) **Cash and cash equivalents**

Cash and cash equivalents are comprised of cash on deposits with financial institutions including bank indebtedness and highly liquid investments with original term to maturity of three months or less.

### j) **Local improvement charges**

Local improvement projects financed by frontage levies recognize any prepayment charges as revenue in the period in which the related expenditures occurred.

### k) **Net-financial assets**

Net-financial assets (debt) at the end of an accounting period are the net amount of financial assets less liabilities outstanding. Financial assets represent items such as cash and those other assets on hand which could provide resources to discharge existing liabilities or finance future operations. These include realizable assets which are convertible to cash and not intended for consumption in the normal course of operations.

### l) **Non-financial assets**

Tangible capital and other non-financial assets are accounted for as assets by the City because they can be used to provide government services in future periods. These assets do not normally provide resources to discharge the liabilities of the City unless they are sold.

### m) **Reserves**

Reserves are comprised of funds set aside for specific purposes by Council and funds set aside for specific purposes by legislation, regulation or agreement. For financial reporting purposes, reserve funds set aside are reported as part of the accumulated surplus on the Consolidated Statement of Financial Position. See the appropriated reserves described on Note 24 for the funds that Council designated. The City's reserves were recorded in compliance with the operating and capital budgets approved by Council. The reserves are fully funded as of December 31, 2024 and December 31, 2023.

### n) **Inventories**

Inventories of materials and supplies expected to be used by the City are valued at the lower of cost or replacement value.

Land for resale, is recorded at the lower of cost to prepare the land for sale and the market value of the land. Costs to prepare the land for sale include levelling, grading and utility service connections. The land is considered available for sale when all the land preparation is completed. Tax title property is property acquired through the tax enforcement process and temporarily held is recorded at the lessor of the carrying amount (cost equal to the outstanding taxes including any applicable penalties up to the date of acquisition plus any costs necessary to maintain after acquisition) and the net recoverable amount. Impairment losses are not reversed in subsequent years, if net recoverable value subsequently increases.

# NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR OF DECEMBER 31, 2024

## 1. Summary of Significant Accounting Policies (Continued)

### o) Tangible capital assets

All tangible capital asset acquisitions or betterments made throughout the year are recorded at their acquisition cost which includes all amount that are directly attributable to acquisition, construction, development or betterment of the asset. Initial costs for tangible capital assets that were acquired and developed prior to 2009 were obtained via historical cost information or using current fair market values discounted by a relevant inflation factor back to the point of acquisition. Donated tangible capital assets received are recorded at their fair market value at the date of contribution. The tangible capital assets are disclosed on Note 23. The cost of these tangible capital assets less any residual value are amortized over the asset's useful life using the straight-line method of amortization. The City's tangible capital asset useful lives are estimated as follows:

<u>Asset</u>	<u>Useful Life</u>
<i>General Assets</i>	
Land	Indefinite
Land Improvements	15 to 50 Yrs
Buildings	20 to 45 Yrs
Building Improvement	10 to 25 Yrs
Vehicles	7 to 10 Yrs
Machinery and Equipment	5 to 25 Yrs
<i>Linear Infrastructure Assets</i>	
Water & Sewer	10 to 60 Yrs
Road Network Assets	20 to 50 Yrs
Other	15 to 60 Yrs

### Government contributions

Government contributions for the acquisition of capital assets are reported as revenue and do not reduce the cost of the related asset.

### Works of Art

Assets that have a historical or cultural significance, which include works of art, monuments and other cultural artifacts are not recognized as tangible capital assets because a reasonable estimate of future benefits associated with this property has not been made.

### Capitalization of Interest

The City capitalizes interest incurred while a tangible capital asset is under construction.

### p) Leases

All leases are recorded on the financial statement as either a capital or operating lease. Any lease that transfers the majority of benefits and risk associated with the leased asset is classified as a capital lease. At the inception of a capital lease, an asset and a payment obligation are recorded at an amount equal to the lesser of the present value of the minimum lease payments and the asset's fair market value. Assets under capital leases are amortized on a straight line basis, over their estimated useful lives. Any other lease not meeting the before mentioned criteria is classified as an operating lease and rental payments are expensed as incurred.

### q) Basis of segmentation by division

The City has adopted the Public Sector Accounting Board's recommendations requiring financial information to be provided on a segmented basis. City services have been segmented by grouping activities that have similar service objectives (by division). Revenues that are directly related to the costs of the division have been attributed to each segment. Interest is allocated to divisions based on the purpose of specific borrowings.

The segments (divisions) are as follows:

**General Government Services:** provides for the administration of the City.

**Police Services:** is comprised of expenses for police.

**Fire & Protective Services:** comprised of expenses for fire protection, bylaw enforcement and safety initiatives.

**Operations & Maintenance Services:** responsible for the delivery of public works services related to the development and maintenance of roadway systems, street lighting, fleet services, airport maintenance and storm collection.

**Waste Management Services:** provides for solid waste collection and disposal.

**Planning & Development Services:** provides for neighbourhood development and sustainability.

**Parks & Recreation Services:** provides for community services through the provision of recreation, city parks, cemeteries and leisure services.

**Water Services:** provides for delivery of clean potable water.

**Sanitary Water Services:** provides for collecting and treating of wastewater and collection and disposal of solid waste.

### r) Employee benefit plans

Contributions to the City's multi-employer defined benefit plans are expenses when contributions are made. Under the defined benefit plan, the City's obligations are limited to their contributions.

# NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR OF DECEMBER 31, 2024

## 1. Summary of Significant Accounting Policies (Continued)

### s) Asset Retirement Obligation

Asset Retirement Obligations represent the legal obligations associated with the retirement of a tangible capital asset that result from its acquisition, construction, development, or normal use. The tangible assets include but are not limited to assets in productive use, assets no longer in productive use, leased tangible capital assets.

The liability associated with an asset retirement obligation is measured with reference to the best estimate of the amount required to ultimately remediate the liability at the financial statement date to the extent that all recognition criteria are met. Asset retirement obligations are only recognized when there is a legal obligation for the municipality to incur costs in relation to a specific asset, when the past transaction or event causing the liability has already occurred, when economic benefits will need to be given up in order to remediate the liability and when a reasonable estimate of such amount can be made. The best estimate of the liability includes all costs directly attributable to the remediation of the asset retirement obligation, based on the most reliable information that is available as at the applicable reporting date. Where cash flows are expected over future periods, the liability is recognized using a present value technique.

When a liability for an asset retirement obligation is initially recognized, a corresponding adjustment to the related tangible capital asset is also recognized. Through the passage of time in subsequent reporting periods, the carrying value of the liability is adjusted to reflect accretion expenses incurred in the current period. This expense ensures that the time value of money is considered when recognizing outstanding liabilities at each reporting date. The capitalized asset retirement cost within tangible capital assets is also simultaneously depreciated on the same basis as the underlying asset to which it relates.

At remediation, the municipality derecognizes the liability that was established. In some circumstances, gains or losses may be incurred upon settlement related to the ongoing measurement of the liability and corresponding estimates that were made and are recognized in the statement of operations.

### t) Liability for Contaminated Sites

Contaminated sites are a result of contamination being introduced into air, soil, water, or sediment of a chemical, organic, or radioactive material or live organism that exceeds an environmental standard. The liability is recorded net of any expected recoveries. A liability for remediation of contaminated sites is recognized when all the following criteria are met:

- a) an environmental standard exists;
- b) contamination exceeds the environmental standard;
- c) the municipality:
  - i. is directly responsible; or
  - ii. accepts responsibility;
- d) it is expected that future economic benefits will be given up; and
- e) a reasonable estimate of the amount can be made.

Sites that are currently in productive use are only considered contaminated sites if an unexpected event results in remediation. In cases where the City's responsibility is not determinable, a contingent liability may be disclosed.

### u) Financial Instruments

Derivative and equity investments that are quoted in an active market are carried at fair value. All other financial instruments are measured at cost/amortized cost; financial assets measured at amortized cost are recognized initially net of transaction costs with interest income recognized using the effective interest rate method. Impairment losses are recognized in the statement of operations when there is an other than temporary decline in value.

Interest and dividends attributable to financial instruments are reported in the statement of operations. Unrealized gains and losses from changes in the fair value of financial instruments are recognized in the statement of remeasurement gains and losses. When the investment is disposed of the accumulated gains or losses are reclassified to the statement of operations.

Long-term debt: Long-term debt is initially recognized net of premiums, discounts, and transaction costs and is measured at amortized cost with interest expense recognized using the effective interest rate method.

#### Measurement of Financial Instruments:

The municipalities financial assets and liabilities are measured as follows:

Financial Statement line item	Measurement
Cash & Cash Equivalents	Cost and amortized cost
Investments	Fair value and cost/amortized cost
Other Accounts Receivable	Cost and amortized cost
Bank Indebtedness	Amortized cost
Accounts payable and accrued liabilities	Cost
Deposit liabilities	Cost
Long-Term Debt	Amortized cost
Derivatives	Fair Value

# NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

## FOR THE YEAR OF DECEMBER 31, 2024

### 1. Summary of Significant Accounting Policies (Continued)

#### u) Financial Instruments (Continued)

Financial instruments are classified as level 1, 2 or 3 for the purposes of describing the basis of the inputs used to measure the fair values of financial instruments in the fair value measurement category, as described below:

Level 1 - Quoted prices (unadjusted) in active markets for identical assets / liabilities;

Level 2 - Inputs other than those in Level 1, that are either directly or indirectly observable for the assets or liabilities; and

Level 3 - Inputs that are not based on observable market data (unobservable inputs).

#### v) New Accounting Policies Adopted During the Year:

On January 1, 2024, the City adopted Public Sector Accounting Standard PS 3400 - Revenue. This standard establishes a framework for categorizing revenue into two types: transactions with performance obligations and transactions without performance obligations.

The standard was adopted prospectively from the date of adoption. The implementation of this new standard did not result in identification of transactions.

### 2. Cash and Cash Equivalents

	2024	2023
Cash	\$ 5,255,000	\$ 2,492,086
<b>Total Cash and Cash Equivalents</b>	<b>\$ 5,255,000</b>	<b>\$ 2,492,086</b>

### 3. Taxes Receivable

	2024	2023
Current	\$ 2,631,062	\$ 2,347,962
Arrears	4,030,236	4,333,787
Less Allowance for Uncollectible	(640,421)	(495,262)
	<b>6,020,877</b>	<b>6,186,487</b>
Deduct taxes receivable to be collected on behalf of other organizations	(2,595,757)	(2,430,150)
<b>Total Taxes Receivable</b>	<b>\$ 3,425,120</b>	<b>\$ 3,756,337</b>

### 4. Other Accounts Receivable

Other accounts receivable includes revenue associated with receivables for Goods and Services Tax (GST) receivable from the Federal government, grants and grants-in-lieu from the Provincial government and others, water and sanitary sewer, general operations, and local improvements.

	2024	2023
Federal government	\$ 582,100	\$ 193,904
Provincial government and other accruals	968,978	2,123,940
Utility	491,200	310,306
Trade	1,248,094	1,119,185

<b>Net Other Accounts Receivable</b>	<b>\$ 2,894,958</b>	<b>\$ 3,406,642</b>

## NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR OF DECEMBER 31, 2024

### 5. Investments

<b>Investments carried at fair value:</b>	<b>2024</b>	<b>2023</b>
Equity investments quoted in an active market	\$ 9,339,497	\$ 8,946,360
<b>Investments carried at amortized cost:</b>		
Fixed income investments	4,989,999	5,831,595
<b>Total investments</b>	<b>\$ 14,329,496</b>	<b>\$ 14,777,955</b>

The investments are managed by an external investment institution, which manages the funds not immediately required by the City, as well as managing the City's investments in accordance with the City's investment standards and Council-approved investment policy.

Fixed income investments consist of Provincial Government bonds, Canadian Government Bonds and Guaranteed Income Certifications which will mature between 2025 and 2048, with effective interest rates of 0.25% to 2.55%.

Of the funds above, the City has set aside funds to finance future expenditures based upon appropriated reserves (Note 24) as determined by Council via the yearly budget approval process. These appropriated reserves are internally restricted and based on working calculation are 100% funded as of December, 31, 2024 and 2023.

Unrealized gains on equity investments carried at fair value of \$2,199,179 have been recognized in the statement of remeasurement gains and losses.

### 6. Deferred Revenue

	<b>2023</b>	<b>Externally restricted inflows</b>	<b>Revenue earned</b>	<b>2024</b>
Federal and Provincial Government Transfers	\$ 2,823,094	\$ 975,495	\$ 3,164,179	\$ 634,410

<b>Total Deferred Revenue</b>	<b>\$ 5,363,489</b>	<b>\$ 1,506,636</b>	<b>\$ 3,887,526</b>	<b>\$ 2,982,598</b>

## NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR OF DECEMBER 31, 2024

### 7. Asset Retirement Obligation

The City is continuing account the asset retirement obligations that was recognized due to PS 3280 Asset Retirement Obligations that has been released in August 2018, and became effective for fiscal years beginning on or after April 1, 2022. In current period the asset retirement obligations adjusted for accretion. The accretion rate used for 2024 is 5.14% for landfill and 4.82% - 5.13% for buildings.

Changes to asset retirement obligations in the year are as follows:

	Balance, Beginning of the year	Accretion Expense	Change in Estimate	2024 Balance, End of the year
Landfill	\$ 1,468,155	\$ 75,463	\$ 74,378	\$ 1,617,996
Buildings (Asbestos)	564,907	28,239	31,071	624,218
	<u>\$ 2,033,062</u>	<u>\$ 103,702</u>	<u>\$ 105,449</u>	<u>\$ 2,242,213</u>

	Balance Beginning of the year	Accretion Expense	Change in Estimate	2023 Balance, End of the year
Landfill	\$ 1,358,916	\$ 68,965	\$ 40,274	\$ 1,468,155
Buildings (Asbestos)	517,021	25,659	22,227	564,907
	<u>\$ 1,875,937</u>	<u>\$ 94,624</u>	<u>\$ 62,501</u>	<u>\$ 2,033,062</u>

#### Landfill

The Municipal Refuse Management Regulations, 1986 requires landfill closure and post-closure care of solid waste landfill sites. Closure care includes final covering and landscaping of the landfill and implementation of drainage and gas management plans. Post closure care requirements include cap maintenance, ground water monitoring, methane gas and leachate management, and ongoing environmental monitoring, site inspection and maintenance. The reported liability is based on estimates and assumptions with respect to events extending over a 29 year period (2023: 30 years) using the best information available to management. The period for post-closure care is estimated to be 30 years (2023 - 30 years). Future events may result in significant changes to the estimated total expense, capacity used or total capacity and the estimated liability, and would be recognized prospectively, as a change in estimate, when applicable.

Undiscounted future cash flows expected in 2054 - 2084 is \$9,457,112 (2023: \$9,457,112). The estimated total liability is based on the sum of discounted future cash flows for abatement activities using a discount rate of 4.995% (2023 - 5.14%) and assuming long-term inflation of 2.5% (2023 - 2.5%)

#### Asbestos

The municipality owns assets which contains asbestos, and therefore, the municipality is legally required to perform abatement activities upon renovation or demolition of this asset. Abatement activities include handling and disposing of the asbestos in a prescribed manner when it is disturbed. Undiscounted future cash flows expected are an abatement cost in 2028 - 2081 of \$1,866,302 (2023: \$1,866,302). The estimated total liability is based on the sum of discounted future cash flows for abatement activities using a discount rate of 4.07 - 5% (2023 - 4.82 - 5.14%) and assuming long-term inflation of 2.5% (2023 - 2.5%).

The municipality has designated unappropriated reserves to settle the abatement activities.

### 8. Long-Term Debt

Pursuant to individual loan bylaws, the City can incur bank indebtedness. The Council has passed a bylaw for each loan that creates debt not payable within the current year for projects that Council deems necessary, pursuant to Section 134 of The Cities Act. Council resolution 844, Council meeting #50, increased the debt limit from \$45 Million to \$55 Million. The City's authorized debt limit of \$55 Million was approved in 2019 by the Saskatchewan Municipal Board (SMB) pursuant to the provisions of The Cities Act.

The City has maintained a total indebtedness less than the established debt limit

	2024	2023
Bank indebtedness		
Authorized debt limit	\$ 55,000,000	\$ 55,000,000
Long Term Debt at December 31	\$ 29,112,030	\$ 31,804,992

# NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR OF DECEMBER 31, 2024

## 8. Long-Term Debt (Continued)

Long-term debt reported on the consolidated statement of financial position is comprised of the following:

	2024	2023
<b>Transportation Services - Kinsmen Park Storm Sewer</b> Long-term loan payable to Canada Mortgage & Housing Corporation at a rate of interest of 3.98% maturing August 1, 2024.	\$ -	\$ 218,038
<b>Recreation Cultural &amp; Park - Credit Union Cuplex</b> Bank of Montreal's swap loan agreement at a rate of interest of 2.465% maturing June 1, 2032.	5,754,038	6,529,863
<b>Water Services - Water Treatment Plant</b> Long-term loan payable to Canada Mortgage & Housing Corporation at a rate of interest of 3.83% maturing July 1, 2025.	213,992	420,091
<b>Sanitary Sewer Services - Sewage Treatment Plant</b> Royal Bank's swap loan agreement at a rate of interest of 5.35% maturing October 1, 2030.	5,321,000	6,096,000
<b>Land Development on 114th Street</b> Royal Bank's swap loan agreement at a rate of interest of 3.24% maturing September 2, 2039.	3,328,000	3,491,000
<b>Land development, Leisure facility betterment, Water utility water upgrades, Road transportation improvement, Waste management facility equipment land acquisition</b> Royal Bank's swap loan agreement at a rate of interest of 2.7% maturing November 19, 2040.	4,004,000	4,191,000
<b>Leisure facility betterments and road transportation improvements</b> Royal Bank's swap loan agreement at a rate of interest of 2.37% maturing November 21, 2041.	1,133,000	1,184,000
<b>Capital projects - 2017</b> Royal Bank's swap loan agreement at a rate of interest of 3.01% maturing October 4, 2043.	2,487,000	2,588,000
<b>Sewer Trunk</b> Royal Bank's swap loan agreement at a rate of interest of 2.46% maturing October 11, 2046.	6,871,000	7,087,000
	<b>\$ 29,112,030</b>	<b>\$ 31,804,992</b>

### Principal repayments and interest

Anticipated annual principal repayment over the next five years and thereafter are as follows:

Year	Principal	Interest	Total
2025	2,547,818	1,063,421	3,611,239
2026	2,400,825	962,745	3,363,570
2027	2,475,825	854,998	3,330,823
2028	2,550,825	749,701	3,300,526
2029 to Maturity	19,136,737	4,156,423	23,293,160
<b>Total Long-Term Debt</b>	<b>\$ 29,112,030</b>	<b>\$ 7,787,288</b>	<b>\$ 36,899,318</b>

## NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR OF DECEMBER 31, 2024

### 9. Credit Facility Agreement

The City has an operating line of credit with Innovation Credit Union in the amount of \$4,000,000 (2023 - \$4,000,000). Interest on the line of credit is at 4.65% (2023 - 6.40%). The balance used at December 31, 2024 was \$ Nil (2023 - \$Nil). The line of credit is secured by a Line of Credit Agreement and a General Security Agreement with an assignment of taxes and grants.

### 10. Land for Resale

	2024	2023
<b>Tax Title Property</b>	<b>\$ 1,250,050</b>	<b>\$ 1,357,499</b>
Allowance for market value adjustment	(449,446)	(451,945)
Net Tax Title Property	800,604	905,554
<b>Other Land</b>	<b>1,603,044</b>	<b>1,610,641</b>
Net Other Land	1,603,044	1,610,641
<b>Total Land for Resale</b>	<b>\$ 2,403,648</b>	<b>\$ 2,516,195</b>

### 11. Commitments

The City has lease agreements with external organizations to manage and operate City facilities.

The City signed an agreement with the Twin Rivers Curling Club, which is a non-profit corporation for the management and operations of the curling rink, restaurant and lounge. The agreement expires on December 31, 2025.

The City also maintained a lease agreement for the use of the public golf course land with the North Battleford Golf and Country Club board, which is a non-profit organization. As part of the agreement, the City provided an annual grant in the amount of \$75,000 (2023: \$75,000) until July 31, 2031.

The City agrees to provide \$150,000 to the Humane Society of Battlefords, a non-profit corporation, for the operational costs of the 114th street facility that is used by them. The term of the agreement took effect on January 1, 2019 and remains until such a time that the Society relocates to their new facility.

The City has entered into several operating lease agreements for equipment. Lease commitments over the next five years and thereafter are as follows:

<b>2025</b>	<b>\$</b>	<b>331,040</b>
<b>2026</b>	<b>\$</b>	<b>323,044</b>
<b>2027</b>	<b>\$</b>	<b>326,376</b>
<b>2028</b>	<b>\$</b>	<b>223,905</b>
<b>2029</b>	<b>\$</b>	<b>43,941</b>
<b>Total</b>	<b>\$</b>	<b>1,248,306</b>

### 12. Pension Plan

The City is an employer member of Municipal Employee Pension Plan (MEPP), which is a multi-employer defined benefit pension plan. Firefighters and Special Constables contributed 12.5% of their salary and all other members, excluding employees of The Battlefords Transit System, North Battleford Business Improvement District Corp, and the Dekker Centre for the Performing Arts Inc., contributed 9.0% of their salary to the plan. The City matches all the member contributions to the plan. The City pension expense in 2024 was \$1,104,837 (2023 - 1,041,130).

The Commission of MEPP, representing plan member employers, is responsible for overseeing the management of the pension plan, including investment of assets and administration of benefits. The benefits accrued to the City employees from MEPP are calculated using the following: Pensionable Years of Service, Highest Average Salary, and the plan accrual rate.

At December 31, 2024, MEPP disclosed an actuarial surplus of \$1.520 billion (2023: \$1.161 billion). The most recent actuarial valuation was completed December 31, 2023. The City's portion of this is not readily determinable.

# NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR OF DECEMBER 31, 2024

## 13. Liability for contaminated sites

The City carried out an inventory of land owned by the city that was no longer in productive use and determined that there is two sites owned by the City which is contaminated beyond the existing environmental standards as of the date of this financial statement. Detail as follows:

1001 - 103rd Street (Plan B 1929). In 2001 a qualified engineering firm carried out a Phase II Environmental Site Assessment which revealed that up to 1000 cubic meters of Petroleum Hydrocarbon (PHC) impacted soil is present on the site. The City has an estimate of \$120,000 to carry out remediation however this estimate was supplied in 2001 and has since not been updated.

1051 - 101st Street. In 2006 a qualified engineering firm carried out a Phase II Environmental Site Assessment which revealed the PHC impacted soil is not expected to exceed 3,000 cubic meters on the site. Further examination is being conducted in 2025 with a new submission being presented to the Province for approval of future monitoring and remediation. Future budget and monitoring in 2025 estimated to be approximately \$30,000.

No liability was recognized in 2024 year.

## 14. Contractual Rights

Contractual rights are rights to economic resources arising from contracts or agreements that will result in revenues and assets in the future. Contractual rights arise from the normal course of business and are not reflected in the consolidated financial statements until revenues or assets are received. The City renewed the Community Building Fund (formally Gas Tax) agreement, this agreement expires March 31, 2034. The funds are provided based on per capita basis. The estimated annual amount is \$884,682.

## 15. Contingent Liabilities

The City is also contingently liable for legal claims in which the City has been named as a defendant in which damages have been sought. The outcome of these actions is not determinable as at the date of reporting and accordingly, no provision has been made in these financial statements for any liability.

## 16. Financial Instruments - Fair Value Disclosures

	2024		2023	
	Cost	Fair Value	Cost	Fair Value
<b>Financial Assets</b>				
Financial assets carried at fair value				
Equity investments quoted in the active market	\$ 7,140,551	\$ 9,339,730	\$ 8,107,503	\$ 8,946,360
<b>Total financial assets carried at fair value</b>	<b>7,140,551</b>	<b>9,339,730</b>	<b>8,107,503</b>	<b>8,946,360</b>

## 17. Risk Management

Through its financial assets and liabilities, the municipality is exposed to various risks.

### Credit Risk

Credit risk is the risk that one party to a financial instrument will fail to discharge their responsibilities with respect to the financial instrument, and in so doing, cause a loss for the other party. The financial instruments that potentially subject the municipality to credit risk consist of cash, fixed investments, taxes receivable and other receivables and derivative (interest rate swaps).

To mitigate the risk, taxes receivable that are unpaid are subject to the tax enforcement procedures. For other receivables, the municipality has adopted policies which include close monitoring of overdue accounts. The credit risk related to receivables from the provincial and federal government are considered to be minimal. Management reviews accounts receivable on a case by case basis to determine if a valuation allowance is necessary to reflect impairment in collectability.

At December 31 the following were past due but not impaired:

	Total	30 Days	60 Days	90 Days	Over 90 days
Trade accounts receivable	\$ 849,493	\$ 9,722	\$ 32,360	\$ 242,156	\$ 565,255
				Current	Arrears
Taxes receivable				2,631,063	3,389,815
Utility receivable				\$ 446,246	\$ 44,165

# NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR OF DECEMBER 31, 2024

## 17. Risk Management (Continued)

### Liquidity Risk

Liquidity risk is the risk that the entity will encounter difficulty in meeting financial obligations as they fall due. The City of North Battleford undertakes regular cash flow analysis, budget practices, monitoring and forecasting to ensure that there are sufficient cash resources to meet all obligations. The City also maintains an operating line of credit in the amount of \$4,000,000 (Note 9). The financial instruments that potentially subject the municipality to liquidity risk consist of accounts payable, accrued liabilities and long-term debt.

The following table outlines the maturity analysis of certain non-derivative and derivative financial liabilities as at December 31:

	Total	2025	2026	2027	Post 2027
Trade accounts payable	\$ 2,441,423	\$ 2,441,423			
Long-term debt	29,112,030	2,547,818	\$ 2,400,825	\$ 2,475,825	\$ 21,687,561
<b>Net total</b>	<b>\$ 31,553,453</b>	<b>\$ 4,989,241</b>	<b>\$ 2,400,825</b>	<b>\$ 2,475,825</b>	<b>\$ 21,687,561</b>

### Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency and other price risk.

### Interest Rate Risk

Interest rate risk is the risk that the future cash flows of a financial instrument will fluctuate due to changes in market interest rates. The financial instruments that potentially subject the municipality to interest rate risk consist of cash and cash equivalents, investments and interest rate SWAPs (long-term debt).

The municipality has an authorized overdraft limit of \$4,000,000 with interest payable monthly at a rate of prime less 0.8%. Changes in the bank's prime rate can cause fluctuation in interest payments and cash flows. The SWAP agreements the municipality has entered into entail interest rate risk as the municipality profits if interest rates rise and loses if rates fall.

To mitigate this interest rate risk, the municipality holds interest rate SWAPs, cash in an account at a Canadian bank denominated in CDN \$, uses an asset mix for investments to diversify the portfolio over short, moderate and long terms, invests in fixed income investments, manages cash flows to minimize utilization of the overdraft.

If interest rates increased (decreased) by 1% as at December 31, 2024, and all other variables are held constant, the operating surplus (deficit) would increase (decrease) by approximately \$9,809 (2023 - \$12,750).

### Currency Risk

Currency risk is the risk that the future cash flows of a financial instrument will fluctuate due to changes in currency fluctuations. The municipality is exposed to currency risk on purchases denominated in U.S. dollars for which the related accounts payable balances are subject to exchange rate fluctuations.

### Price Risk

Other price risk is the risk that the future cash flows of a financial instrument will fluctuate due to changes in market value, whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market. The financial instruments that potentially subject the municipality to other price risk consist of investments in equity instruments traded in an active market. To manage this risk, the City has established an investment policy with a target asset mix that is diversified by asset class with individual issuer limits and is designated to achieve a long-term rate of return with an acceptable level of risk.

At December 31, 2024, if equity prices increased (decreased) by 10% with all other factors remaining constant, the City's fair value of equity investments and accumulated remeasurement gains and losses would increase (decrease) by approximately \$933,973 (2023; \$894,359).

## 18. Budget Information

Budget figures are reported for information purposes only and are not included in the scope of the external audit. Budget information is presented on a basis consistent with that used for actual results. The budget was approved by Council on December 11, 2023.

# NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR OF DECEMBER 31, 2024

## 19. Budget to Accrual Based Reporting

The budget is reported on an accrual basis, consistent with principles applied in the consolidated financial statements. Included in the table below are presentation and elimination adjustments required to comply with Canadian public sector accounting standards for inclusion in the Consolidated Statement of Operations and Accumulated Surplus.

	2024	2023
<b>Budgeted Revenues as approved by Council on December 11, 2023 (Stmt 2)</b>	<b>\$ 47,286,508</b>	<b>\$ 45,530,056</b>
Consolidation- Other Controlled Entities	1,484,861	1,322,036
Elimination Entries	(590,687)	(578,666)
<b>Budgeted Revenues for Financial Statement Purposes</b>	<b>48,180,682</b>	<b>46,273,426</b>
<b>Budgeted Expenses as Approved by Council on December 11, 2023 (Stmt 2)</b>	<b>40,255,288</b>	<b>37,961,477</b>
Amortization	7,378,659	7,454,268
Consolidation- Other Controlled Entities	1,471,960	1,279,335
Elimination Entries	(235,000)	(578,666)
<b>Budgeted Expenses for Financial Statement Purposes</b>	<b>\$ 48,870,907</b>	<b>\$ 46,116,414</b>

## 20. Comparative Figures

Certain comparative figures have been reclassified to conform to the current year's presentation.

## 21. Segmented Information

The Consolidated Segmented Disclosures has been prepared in accordance with PS 2700 Segmented Disclosures. Segmented Disclosures are intended to enable users to better understand the government reporting entity as well as the major expense and revenue activities of the City. For each reported segment, revenues and expenses represent amounts directly or reasonably attributable to the segment.

The segments have been selected based on a presentation similar to that adopted for the municipal planning and budgeting processes.
