Our Strategic Pillars

Community Wellbeing

- Living in an attractive and well-kept community
- Innovative solutions in policing
- Implementation of the Community Safety & Wellbeing Plan and review of the City's Housing Strategy

Infrastructure Renewal, Maintenance, and Investment

- Infill development program
- Access Communications Centre replacement/rehabilitation
- Environmental stewardship and sustainability
- Reduction in derelict commercial/residential properties

Economic Diversity and Community Growth

- Commercial and residential assessment growth
- Working in collaboration with partners for the new North West College development
- Formal Economic Development Program and the establishment of an Economic Development Advisory Committee

Governance, Partnerships, and Advocacy

- Continue implementation of the Regional Recreation Plan
- Encouragement of regional investments, including Indigenous opportunities
- Advocacy to address complex social and health issues with other levels of government

City of North Battleford 2025-2029 Strategic Plan
