Name of group: Battleford Kinsmen Swim Club

Organization type: Sports group

Non-profit number:

Mailing address: Box 1151 North Battleford Sk S9A 3M2

Contact person: Jessica Labman

Email: jessica.labman@gmail.com **Phone number:** 306-490-7192

Proposed dates: 9/11/2023 (all year) **Proposed time:** 04:30 PM

Location: Battleford Co-Op Aquatic Centre

Proposed activity/program/event: The Battleford Kinsmen Swim Club (Orcas) is a small non-profit growing swimming program serving the Battlefords and surrounding areas. Our club provides the opportunity for all youth to enjoy a safe, challenging and skilled competitive swimming program in an inclusive and safe environment. Our objectives are to promote amateur competitive swimming to teach interested swimmers the necessary skills to become competitive swimmers, to provide the opportunity for swimmers to develop their maximum potential and to foster and preserve the highest ideas of good sportsmanship, discipline, pride, and respect for oneself and others. The club runs during the months of Sept-June out of the Co-Op Aquatic Centre - offering options to swim 1x, 2x or 4x a week for our participants.

Project description (include objectives of program, and benefits to participants): Project description: The financial assistance requested will help all of our current swimmers for the 2023-24 season and in the future. We currently have 54 youth from the Battlefords and surrounding areas that this will directly benefit. With the financial assistance from this grant we will put it towards the cost of lane rental, part-time coaching fees, in-province Swim meet coaching costs, and updating equipment for our swimmers use. Expected outcome: With the financial assistance requested our club will be able to rent the appropriate number of lanes needed to continue to provide a quality swim program. We also currently have close to 25 swimmers who represent the Battleford Kinsmen Swim Club at a competitive level all around Saskatchewan. As our program grows so does this number and we are proud to represent the Battlefords at the competitive meets and hope to grow this number and provide all our swimmers with the opportunity to experience competitive swim meets. As our numbers grow we must send more than one coach to all meets to ensure safety and support for all swimmers. This year our club is also planning to host two "fun meets" for our younger swimmers to experience what a swim meet is like. Other clubs such as Meadow Lake and Prince Albert and possibly Lloydminster join - making this a fun community event that also brings people to the Battlefords. Our expected outcome from this grant is to help keep our costs down for our youth participants and families - making swimming accessible and affordable for all. This support will also help us grow our program in the Battlefords - allowing us to expand our services to more youth in our community and surrounding areas.

Estimated number of participants: 54

Battlefords Kinsmen Swim Club
Financial Statement Review Report
As at June 30, 2022

To the members of the Battlefords Kinsmen Swim Club:

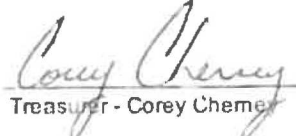

We examined the Balance Sheet as of June 30, 2022 and the related Income Statement for the year then ended.

It is our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the club as of June 30, 2022, and the results of its operations for the year then ended.

Location: Access Communications Centre

Proposed activity/program/event: Program: Free Noon Hour Drop in Shinny Access Communications Centre: Tuesday - Friday 12:00 - 1:00pm
January 2nd - March 28th Adults 18 + 13 weeks

Project description (include objectives of program, and benefits to participants): The objectives and goals of the program align nicely with several key messages in the Battlefords Parks and Recreation master plan including: Recreation is essential to personal health and wellbeing, Recreation provides a foundation for quality of life and Recreation builds strong families and healthy communities. By offering a free program we can eliminate the financial barrier participants often face with recreational programming. Participants enjoy the drop in aspect of the program, as the flexibility enables them to attend when they can, and there is no commitment, or membership fees associated with participation. The benefits of adults being physically active is known to reduce the risk of serious diseases (diabetes, stroke and heart disease), boost energy levels, strengthen bones and muscles, reduce the risk of depression and anxiety, and improve overall mental health and well being. The program meets the criteria of the grant, as it increases participation in sports, recreational and physical activities, and it is an affordable option for many of our residents who may not be able to pay the fees associated with organized hockey leagues. Several under represented groups are currently able to participate in the free noon hour shinny program.
