

All vehicles over 9,000 kg are required to follow the Heavy Truck Route unless:

- A. Making a collection or delivery
- B. Performing a service
- C. Proceeding to or from the business premises of the owner or operator of the heavy vehicle
- D. Proceeding to or from a garage for the purpose of repairs, servicing, refueling or storage
- E. Being operated in the service of the City
- F. Under escort by a marked vehicle operated by a member of the R.C.M.P. or the Department of Public Works and Engineering of the City, pursuant to a valid Temporary Street Use Permit

Dangerous goods trucks must follow the Dangerous Goods Route unless:

- A. Making a pickup or delivery of a dangerous good
- B. Proceeding to or from the business premises of the owner or operator of the dangerous goods vehicle
- C. Proceeding to or from a garage for the purpose of repairs, servicing, or refueling

Operators are required to follow the bylaw and must be able to provide proof of business off the Truck Route, and shall produce their permit, if required
